

New Jersey FFA Association's Hurricane Sandy Relief Gift Card Collection

2013 Statewide Community Service Project

Join Us in the Relief Effort!

In October 2012, Hurricane Sandy brought devastation to parts of the Garden State and destroyed homes, business and iconic locations. Several months later, people are still in need of food, clothing and shelter. Please join the New Jersey FFA Association in the 2013 Statewide Community Service Project— Hurricane Sandy Relief Gift Card Collection!

The New Jersey FFA Association is joining the cause to assist residents of communities that were affected by Hurricane Sandy. Set-up a local gift card collection and bring the gift cards to the 84th State FFA Convention in May. Collected gift cards will be donated to the New Jersey Voluntary Organizations Active in Disaster (NJVOAD) who will distribute these gift cards to New Jersey residents needing assistance.
