RE: American FFA Degree Workshop

Workshop will be held to help with applying for the American FFA Degree.

American FFA Degree Workshop - January 24, 2011

In an effort to encourage more members to apply for the American FFA Degree, I will hold a workshop on Monday, January 24, 2011 at 2:00 pm at the New Jersey Department of Agriculture in the auditorium. Participants will need to show photo ID at the front desk. This workshop is open to members eligible for the American FFA Degree who plan on applying this year. Please forward this to any students you feel might be interested in applying for this degree.

What to bring to the workshop

1. Laptop with the most recent application saved on the desktop (we will not have internet access).
2. A copy of his/her State FFA Degree Application
3. Record book(s)

For the American FFA Degree Workshop, advisors do not need to attend with their student (since they will be a college-age student).

Please complete and return the appropriate registration form to ag.ed.registration@ag.state.nj.us so I know how many people will be in attendance. Registration is due January 17, 2011.

Registrations can be accessed from the Ag Ed Bulletin Board:

http://www.jerseyageducation.nj.gov/agriculture/ag_ed/bulletin/.
