2012-13 New Jersey FFA Program Affiliation

Philosophy of why to affiliate with New Jersey FFA:

- Involvement in FFA is an integral part of an Agricultural Education Program
- Participating in Career and Technical Student Organization (CTSO) activities helps students develop additional employability skills.
- Students understand the role and importance of “professional associations” in America’s workforce.
- Students receiving education through a complete three-component Agricultural Education Program will not only enjoy a well-rounded educational experience that leads higher career satisfaction rates but will also experience significantly decreased drop-out rates and overall higher grade point averages.
- Students and teachers will have access to leadership and skill development experiences that emphasize the New Jersey Core Curriculum Content Standards, especially the 21st Century Life and Careers Skills through FFA activities and participation.

What is the Affiliation Plan?

The Affiliation Plan allows students who are enrolled in an Agricultural Education Program to be eligible to for the benefits and opportunities of FFA as a part of the total program delivery. This plan also focuses on the development of essential employability, participative and attitude development skills as called for in the U.S. Department of Labor’s Secretary’s Commission on Achieving Necessary Skills (SCANS) Report.

Under the New Jersey Affiliation Plan, all ag students are FFA members. All students in the local Agricultural Education program are simply signed up using a scaled affiliation fee.

How Does the Program (School/Institutional) Affiliation Plan Work?

For a flat fee, a single Agricultural Education Program can join New Jersey FFA under an agreement and fee based on student enrollment.

What are the benefits of affiliating?

- **Eliminate dues collection.** One school/program fee covers all students in the Agricultural Education program. Please note that affiliation on the chapter level is designed to eliminate individual dues. As a part of this program, local dues may not be collected. Other fees may be collected by the school under curriculum or activity fees in accordance with local or state policy.
- **Receive FFA Resources.** Teachers will receive teaching aids designed to help reinforce FFA in the classroom.
- **Participate in quality training.** New Jersey FFA offers premier training for chapter leaders which can be brought back to and utilized in each local program.
- **Pay Program (School/Institutional) Affiliation Fee with Perkins.** Ag Education programs that receive Perkins funding can pay Affiliation Fees with the funds.
- **Eliminate Multiple Payments Throughout the Year.** Programs that add the supplemental packages, eliminate making multiple payments for events/activities throughout the year. Pay up front and you’re set for the rest of the school year (except for overnight conferences/conventions).
- **Ease of Knowing Membership Status.** Eliminate questionable membership status of students. All ag education students are members! All are eligible for awards and scholarship opportunities.
