# Dairy Cattle Handlers' Activity 2017-2021

## Purpose

The purpose of the New Jersey FFA Dairy Cattle Handlers Activity is to recognize the contributions of the handlers in presenting each animal to its best advantage in the evaluation of dairy cows and heifers. Skills in dairy cattle handling and herd management are important for successful careers in the dairy industry.

## Event Rules

- Participants are to wear dairy whites with an FFA tie or scarf and appropriate footwear (no sneakers or open-toed shoes).
- Participants must bring their own show harness.
- Chapters may register up to four members to participate in the state event.
- Handlers should have had prior experience in showing dairy cattle.
- Handlers will not participate in either the preparation or fitting of the animals assigned.
- If a dairy handler cannot control his/her animal, this animal may have to be displayed by an alternate holder.
- Each handler will have no more than 15 minutes to properly display the animal.
- The handler will follow the instructions set forth by the judge(s) in the ring – turn cattle side by side, line the cows/heifer up head to tail, etc.
- The handler may be asked to switch animals and display the new animal at the discretion of the judge(s) in the ring.
- Cattle must be set-up to her most advantageous pose.
- 

## Scoring (100 points)
